

Naches Lions Club

October 2025 Newsletter

October Dinner Gathering

Our next dinner gathering and potluck will be on Wednesday, October 22nd at 6:30 pm at the Naches Fire Station. Bring yourself and your favorite dish and join us for food, fellowship, and a visit from our District Governor, Roger Schramm.

Halloween

The Lions Club will once again be serving hot dogs and hot cocoa on Halloween night (Friday, October 31st). Come by the band stand at 5:00 pm if you would like to help with this annual event! The drawing for our annual Wood Raffle will also take place that evening.

Sportsman's Days Chairs Needed

Sportsman's Days has come and passed, but we are already looking toward next year! We are establishing a new leadership structure and are looking for three volunteers to chair the event (ideally two Lions and one non-Lion). This team will receive mentorship and support from previous leaders to ensure a successful event. Please let Lion President Daniel Wade or myself (Lion Secretary Andrew Sinift) know if you are interested in serving in this important role!

Grandpa Jim's White Cane

Lion Ray Fujiura from the Sunnyside Lions is bringing Grandpa Jim's White Cane back to Naches elementary school this year! This is a project aimed at educating elementary school age kids about blindness. The working date is Friday Nov. 21st at 9:00 am. We are looking for four to five Lions to help with the project this year. If you are interested in volunteering, contact either Lion President Daniel Wade or myself.

Board Decisions

The board approved this month the purchase of three new benches to be placed at the pickleball courts at Cleman's View Sport's Park.

The board also approved a \$1,000 donation to the Friends of the Naches Library Coalition to help with their startup costs in their effort to keep the Naches library open. We look forward to hearing an update from them at one of our upcoming dinner meetings!

Special Needs Bowling Canceled

Note: there will be no Specials Needs Bowling on October 18th.
